Agenda Item 5.0

## **Level III Review Activity Summary**

The IEPA (Illinois Environmental Protection Agency) must make a determination to issue an NPDES (National Pollutant Discharge Elimination System) Permit to discharge into the waters of the State and prepare draft permits and associated fact sheets for the dischargers named below. The Permit Program makes allowances for the following permits: permit termination; permit reissue; permit modification; new permits. The list below identifies permitees and the action taken on behalf of the IEPA.
